A SPARK FROM HOMECOMING...

Once again, the 1984 Homecoming of the Merrill Vandals was a giant success. The efforts of so many people, and the pleasant weather made the festivities run almost flawlessly.

Following tradition, the student body elected five senior ladies and five senior men to represent the school homecoming court. Then, the students elected one from each group for queen and king. The 1984 queen was Sherry Francetic, and the king was Blaine Brown. Wendy Lednicki, Amy White, Tracy Ellsworth, and Bridget Kalahar were chosen as princesses. Scott Minnick, Bob Kennedy, Rick Kollhoff, and Fred Calaway were the representative princes.

At noon, Everyone gathered in the village to watch the annual parade, which traveled approximately nine blocks and was filled with many original entries. The theme was patterned after the 1984 Olympics. The freshmen won the prize for the best float; the juniors were second, and the sophomores were third. The senior float caught on fire the night before the parade so; sadly the senior class was not represented.

SPIRITS

When the parade was over, the crowd moved the festivities to the football field. Unfortunately, the Vandals were defeated by the Seminary Cardinals. This was a lone dark spot in an otherwise fine day.

Finally, the day was capped off at the dance held in the high school. The disc jockey was from WIOG, and gave a lively rendition of "Almost Live" which the students enjoyed and danced to midnight.

The decorations committee was pleased with the long hours spent in preparation for a dance that the student body so obviously enjoyed.

No cat-and-mouse games for the Sophomores, they took second place in the float contest.

The 1984-85 Sweetheart dance was held on March 2nd. Representing the Freshman class were Brian Briggs and Ranee Miller. From the Sophomore class were Matt Mikusko and Julie Kennedy. Shawn Penny was escorted by John Osbourne of the Junior class. The four Senior representatives were: Amy White and Joe Osbourne along with Marcia Mason and Fred Calaway.

Members of the F.F.A. and F.H.A. voted for the top sweethearts Amy White and Fred Calaway. They were recognized at the 10:00 ceremonies. Music was provided by "Almost Live". The dance theme was "Can't Fight this Feeling" by REO Speedwagon.

The 1984-85 Junior-Senior Prom was a very successful event because of the dedication of a few spirited juniors.

The banquet commenced at 6:30 with an invocation by Reverend Judson Bennett. After dinner, the juniors entertained those present with a very humorous and creative class prophecy. Scott Minnick and Joe Osbourne read senior wills, followed by Ann Schwind and Amy White handing out Mock Elections. The entertainment came to an end with a slide presentation by Lynette Stiner and Patty Dominowski.

The dance followed at 8:30, and went until midnight. The juniors did a great job decorating the gym, and it made the atmosphere very pleasant. The disc jockey, "Lightening", played a good variety of music. The dance theme and song was "Crazy for You" by Madonna.

Our heart felt thanks go to the juniors, and all who participated in making this years prom a great success.

ROUND UP BRINGS CHARACTERS.

Due to teacher's protests over disruptive behavior, Sadie Hawkin's week was limited this year to Wednesday through Friday. The students, however, took it upon themselves to unofficially designate Monday as Sunglasses Day and Tuesday as Hat Day. Student Council proclaimed Wednesday as Sweatshirt Day, Thursday Backwards Day, and Friday brought Sadie Hawkin's Week to an end with the traditional Sadie Hawkin's Day. During the Sadie Hawkin's assembly, Steve Horny and Theresa Emery were voted Mr. and Mrs. Sadie Hawkin's by the students. The students beat the teachers in a quiz game using Trivial Pursuit Questions. The limbo contest had many people bending over backwards, but Scott Londry and Rick Kollhoff came out on top. The highlight of the assembly was the banana split eating contest, in which Kevin Clark was the undisputed winner. The final event of the assembly was the tug-of-war between the different classes.

The dance was held at 8:00 p.m., and "Storm" provided the music. It ended at 11:30, and we said good-bye to the round-up of odd characters until Sadie Hawkin's week next year.

THE FUTURE LIVES TODAY.

Happy Birthday Future Homemakers of America!! They have been spicing up our lives for forty years. Mrs. Wilk, serving as advisor for her thirty-first year, led the Merrill Chapter in a very active year.

F.H.A. started out the year by selling cookbooks and Tom-Watt. During the course of the year they went caroling, held a Daddy-date night, brought out all types of creatures at the Halloween party, and delivered carnations for Valentine's Day.

Three Merrill members, Karen Clark, Kelly Burgoyne, and Beth Corbat were elected as regional officers at the regional convention. Bridget Kalahar served as the State President of F.H.A. this year.

In May, twenty-four members attended the State Convention held at Western Michigan University. Many of them performed action events for evaluation. To top off the year, F.H.A. will be going to Cedar Point for a fun in the sun day.

Bridget Kalahar served as the 1984-85 FHA state president.

The Merrill chapter of Future Farmers of America held its annual awards banquet on April 23rd. During the banquet, members and their families enjoyed a pot-luck dinner, speeches from two state officers, awards for outstanding FFAer's, and the installment of new officers.

This year they were honored having the 1984-85 State FFA Secretary, Val Welch, and the 1984-85 State FFA-HERO President, Bridget Kalahar, address the group. Following dinner and speeches, Richard Barnes, advisor, handed out awards to the following people:

Sherry Knapp
Business Manager

The yearbook staff enjoyed a very delightful and productive year. Starting in September, confirming ads and sponsors for the yearbook, the staff proceeded with layout designs. The staff editor, Andrea Aulbert, and a few others had previous experience, but all aided in the effort: Sherry Knapp-business manager, Andy Fortin and Krista Aulbert-photographers, and Kurt Munger and Nicole Gutknecht-layout editors.

During the fall, the team attended an Inter Collegiate Press yearbook workshop at Central Michigan University. Seminars on photography and yearbook layout were offered throughout the day. They were also privileged to attend a press conference with James Irwin, famous Apollo-Astronaut and founder of the "High Flight" organization.

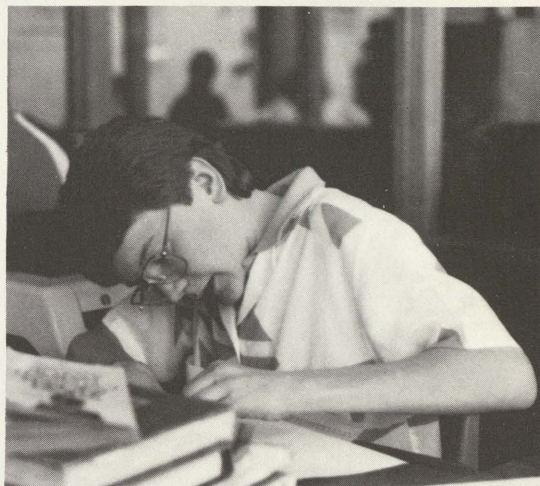

The year was a very rewarding one, because of the hard work and busy days everyone put in. The staff will be looking forward to next year, and producing another edition of ECHOES.

Kari Keyes- Staff Editor

Scott Minnick- Typist

Lisa Kopta- Typist

Rod Kitzmiller- Sports Editor

This year the Journalism staff brought the "Vandal's Voice" back into circulation. Although the staff had no previous experience with newspaper, it still succeeded in producing three successful papers; a Christmas, January, and Sweetheart edition.

Kari Keyes was Staff Editor. She, and Sherry Dickinson designed all the layouts for the paper, and contributed to the writing as well. Lisa Kopta and Scott Minnick did the largest portion of typing final copies, along with writing and conducting surveys. Rod Kitzmiller was the sports editor, and Tony Goss did editorials.

After the February Sweetheart Issue, the staff joined the yearbook team to meet deadlines. The Newspaper staff felt the year was a very enjoyable and learning experience.

Special thanks to our advisor, Miss Blanchet, on behalf of the Newspaper and Yearbook Staff. Her time and effort were greatly appreciated.

The 1984 football season was a frustrating one for Merril Vandal's Varsity. What was expected to be a banner year, turned out to be a nightmare for the players and the coaches. The Vandal's finished with a record of 1 and 8, well below what was expected of them.

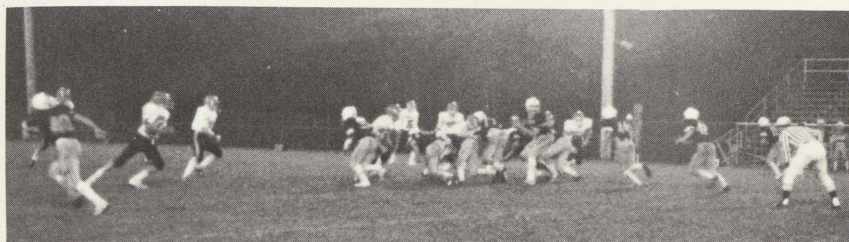

In the season opener, Merril lost to the Reese Rockets by a score of 24 and 6. However, the team bounced right back with a 7 to 0 win over the Huskies from Breckenridge. The season looked like it might turn out as planned, but in the next game, the Vandal's fell to the St. Charles Bulldogs 24 to 7. The remaining losses went like this: 7 to 0 to the Freeland Falcons, 14 to 6 to the St. Louis Sharks, 49

to 0 to the Seminary Cardinals, 30 to 0 to the Ithaca Yellow-jackets, 14 to 0 to the Shepard Bluejays, and 24 to 0 to the Unionville Sebewing Patriots. Despite the poor season, the Vandal's still managed to place a few players on the All-Central Michigan League team.

Lineman Pat Briggs was selected to the first team on defense. Also, lineman Pat Scholl, Linebacker Dave Fortin, and back Steve Horny were all named as honorable mention players.

VARSITY EARNS RESPECT

The Merrill High School varsity basketball team finished the season with a combined record of 12 wins and 11 losses. Under coach Sam Franz, Merrill finished the regular season with a record of 10 and 10. In the league, the Vandals were 9 and 7. In the districts, the team won the first two games against Perry and Laingsburg, but lost in the Championship game to the St. Charles Bulldogs. Seniors, Pat Briggs and Bob Kennedy, were both named to the all-league team and were given honorable mention all-area awards.

Pat Scholl crashes the boards.

NO John, don't TACKLE him!

After the season, coach Sam Franz announced his retirement. Under Franz, the Vandals have a three year record of 39 wins and 28 losses. More than the record, however, is the fact that a strong program has been established. During his 36 years of coaching there have been a great many successes. He has won two state championships, and was named the 1969 coach of the year. During the 1982-83 season he was inducted into the Michigan High School Coaches' Association Hall of Fame, and he won his 500th game during the 1983-84 season.

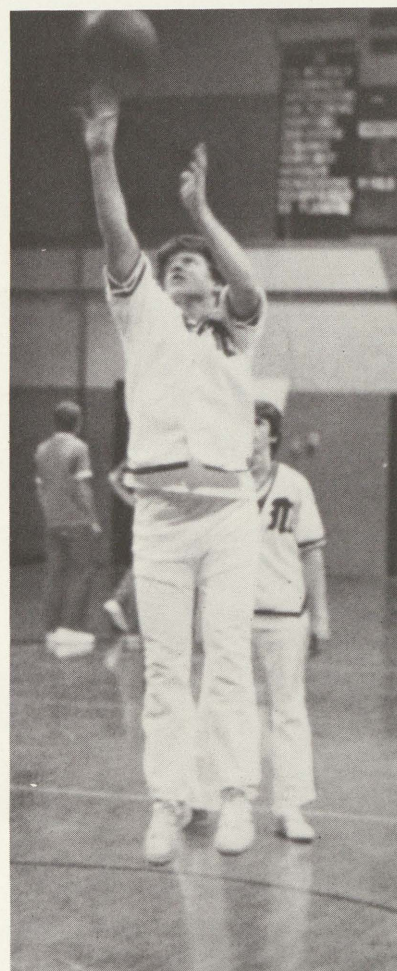

All of Merrill would like to thank the coach for a job well done; he put a lot of hard work, sweat, and himself into the job. He is truly a great coach and person.

SUPER SLUGGERS!!

The 1985 Varsity Baseball team finished the season with an overall record of 14 wins and 8 losses. However, their C.M.L. record of 9 and 5 put them in a four-way tie for the league championship. The other teams were Seminary, Ithaca, and Freeland. Under coach Pat Briggs, it was the first time the Vandals had won the conference since 1973.

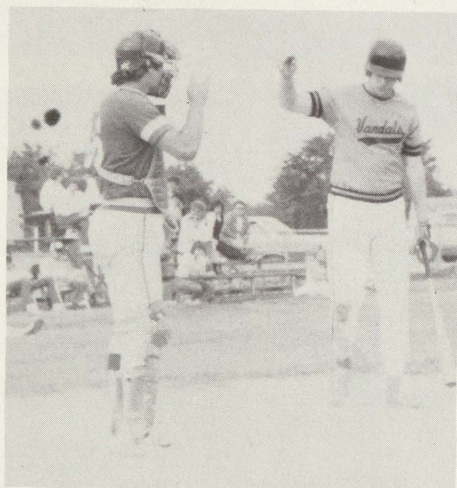

The team consisted of ten seniors: Keith Kellogg, Rod Kitzmiller, Pat Briggs, Dave Fortin, Joe Holubik, Kevin Clark, Blaine Brown, Rick Kollhoff, Mark Wagner, and James Betancourt. There were also five Juniors on the squad: Dennis Kollhoff, Terry Koviack, Art Piwowski, Piwowski, Lyle Tolfree, and Dave Miller.

The 1984-85 Pom-Pon Squad got off to a slow start, but quickly recovered. After a long search for an advisor, tryouts were held in late fall. Under the direction of Robin Yuchasz, the group performed at all of the home basketball games, and some of the away games. They designed their routines to popular songs such as: "Teacher, Teacher," "Round and Round," "Surfin' U.S.A.," and "Walkin' on a Thin Line." Fund raisers for the group included selling cookie pies. During Halloween Ghost Insurance was sold. The squad's peppy routines added much to the basketball games, and they should be complimented.

The 1984-85 Girls' Varsity softball team had an enjoyable season. Their league record was 8 wins, 6 losses, with an overall record of 10 wins, 10 losses. The season was culminated with tournaments in Hemlock and Bay City.

The J.V. softball team had a brilliant year. They had 13 wins and 5 losses which is an excellent record. They placed first in the conference league with 9 wins and 1 loss.

Through collecting returnable bottles, the teams were able to collect \$250.00 for a new pitching machine. This will enhance indoor practice before the actual season starts.

Graduation: an end bringing a wonderful new beginning. A time of tears and smiles. The 1985 graduation ceremonies were held on the Merrill High School Football field. It was a beautiful day, and at 2:00 p.m. friends, relatives, and graduates gathered for this special event. Members of the Class of 1985 received many honors, including Presidential Academic Fitness Awards, and recognition for outstanding ACT scores. The Senior band members joined the band for one final selection "Theme from Mahogany-Do You Know Where You're Going To?" The Class of 1985 knows where they are headed.

We'll never forget our senior year,
It seems like yesterday.
So many wonderful happy memories,
Will never go away.

DO YOU REMEMBER?...

The angry mice running through the school.
Mr. Stelter determined to teach "The Golden Rule."
Remember our library, "Mom C." was always prepared,
To be our leaning block, and show us she cared.
Remember how our cars were handled with ease?
But some got handled into ditches, or slid into trees!
The Homecoming dance, King Blaine was so late.
Prince Scott found his coach, wasn't running too great!
It was a year of new things, just one I will mention...
That new assertive discipline, brought some of us detentions!
But I think more than anything, it was education we desired,
And we'll make it in this world because of the wisdom we've acquired.

THE DOW CHEMICAL COMPANY'S 21st Century Challenge

These Tri-City Area students worked in research, computers and secretarial services during the 1984-85 school year.

CO-OP students prepare for the challenges of the 21st century by combining classwork with industrial work. Dow is preparing by building new plants to manufacture new health, consumer and agricultural products.

The Michigan Division of The Dow Chemical Company is approaching its second century of manufacturing.

To meet the challenges of change during the second hundred years we are working today to develop new products and technologies. The goal is to make as many significant contributions to the quality of life during the second century as we did in the first with our plastics, agricultural, consumer and pharmaceutical

products.

These new innovations will require imaginative research, dedication and an unwavering commitment to quality... employee characteristics that we see in the high school CO-OPS that work with us throughout the school year.

Our challenge is to find more good people like these students who will join us in our search for the products of tomorrow... by starting today.
